NOTICE

Subject: Revision of Scholarship Eligibility Criteria

Dear Students,

This is to inform all students that the College has revised its scholarship eligibility criteria. Students who fail to maintain the minimum attendance percentage prescribed by the College and Tribhuvan University (TU) policies or fail to attend all internal examinations will not be eligible for scholarships.

Scholarships will be awarded to the first topper in the respective board examinations, provided that the student meets the minimum academic performance requirements and all other prescribed eligibility criteria.

The revised eligibility criteria for each academic program are outlined below:

Academic Programs	BBM	BCA	BBS
Minimum Attendance	80%	80%	80%
Internal Examination Attendance	100%	100%	100%
Minimum Grade/Percentage in Board Examination	3.2 GPA	3.0 GPA	60%

Scholarships will be granted to the first topper who fulfills all the above-mentioned criteria. If the first topper fails to meet any of the prescribed eligibility requirements, the scholarship will be awarded to the second topper, provided that they fulfill all the required criteria.

All students are therefore requested to maintain the required attendance, participate in all internal examinations, and meet the minimum academic performance requirements to remain eligible for scholarships.

Thank you for your cooperation.
