NOTICE

Subject: Implementation of Library Fine

Dear Students,

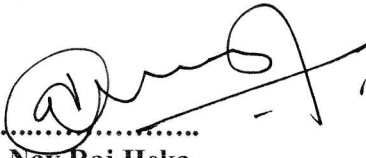

Please be informed that a library fine of **Rs.10 per day** will be imposed, effective from the date of this notice, on students who keep library books for more than **15 days** without renewing them on time.

Late returns and failure to renew books have disrupted library management and prevented other students from accessing the books they need.

Therefore, all students are requested to return or renew borrowed books within the prescribed period to ensure the smooth circulation of library resources.

Note: - those students who have lost library books will no longer be permitted to replace them with another copy of the same title, author, or publication. The applicable library fine will be imposed accordingly which will be reflected on the college application "E-School".

Thank you for your cooperation.

.....
Dr. Nav Raj Heka
Campus Chief
